NORTH WATER ST.

REVIEW

WEEK ENDING THURSDAY September 9, 1875.

COMMERCIAL EPITOME-There is here and there some improvement of trade, mostly of seasonal manufactures, but the aggregate of business is moderate, and the spirit of vitality inendent to more prosperous seasons are lacking. The fall trade has not yet was over the studge tues odde at the rairly opened, the weather for the past ten days has been unseasonable and very few country merchants have been in town. As the weather becomes cooler we may expect an improvement than last week. There has been an advance in all branches of the trade and the ontlook is favorable for an active business during the fail and

of the papers, the chair announced, but enough of the new crop has arrived to establish a market Every preparation is being made by the merchants to do a large business in that line. The Wilmington Compress Company have about completed the construction of their press and warehouses, and have made arrangements with the different railroad companies to deliver the shipper.

all cotton intended for shipment as their warehouses, free of expense to "A QUESTION OF HONOR." The export movement for the week was rather light, as compared with the previous week. The shipments were
